

CALL FOR PAPERS

ICCC 2027

The 17th International Congress on the Chemistry of Cement

“Achieving Sustainability and Carbon Neutrality in Cement and Concrete”

Yashobhoomi Convention Centre, New Delhi, India
18th - 22nd October 2027

THEMES

- Cement Process Technology including use of Alternate Raw Materials
- Clinker Chemistry and Hydration
- Chemistry and Performance of Alternate Binders and SCMs
- Emerging Trends in Low Carbon Cements and Concrete Composites
- Carbon Capture, Utilization and Storage
- Advanced Characterization Techniques
- Chemical Admixtures and Rheology
- Sustainability, Circular Economy and Standardization
- Modelling and Computational Techniques
- Durability and Service Life of Concrete Structures

www.iccc2027india.org

IMPORTANT DATES

- Abstract submission starts: **1st November 2025**
- Last date of abstract submission: **31st January 2026**

Link for submission will be activated shortly

Organiser

National Council for Cement
and Building Materials

Co-organisers

Indian Institute of
Technology Delhi

Indian Institute of
Technology Madras

National Council for Cement and Building Materials

(Under the administrative control of Ministry of Commerce & Industry, Govt of India)
